## Hardy Boys Need Hardy Clothes

Most boys play just about twice as hard as they study. It's the natural outlet for their surplus energy.

While every "daddy" likes to see it—"mother" knows what it means to the family pocketbook.

We've never been able to find a suit that wouldn't wear out, but the nearest thing to it is one of our Worsted Norfoks at \$15.00.

Maguise. We failed to get the item at the proper time, but Mr. Herron deserves all that we can say good about them, and he is a man after our own heart, we mean 100 per cent democrat. Judge Cam Mullins and the engineer was in our little town last week trying to settle how the pike is to cross the railroad tracks and Round Stone. Our idea is that one bridge will suffice for both the railroad and creek, that is we believe it will start near the center of town and land on the hill on opposite side. Mrs. J. M. Fourie has been quite sick for some time but is slowly improving. Mr. and Mrs. Earnest Arnold, of West Virginia has been with relative here for the past few days and are now gone to Wallens, Ky., for a few days. R. L. Bray, of Wadd, and W. M. ## SCHOOLS OPEN

### Langdon Memorial

Langdon Memorial School opened Wednesday. The enrollment for this year is the biggest in the history of this splendid institution. The girls are coming in on every train and many have applied for whom there is no room. Our excellent school has for the first time the entire faculty of the preceding year. This indicates that the teachers are pleased with the work and that Miss Stewart is pleased with her faculty. We predict a successful year for Langdon school. It is with unstinted appreciation that we see and know the thorough work accomplished by Miss Anna Belle Stewart and her faculty and fortunate indeed are the deserving girls who enter this school and reap the benefits of its guidance and training. The personal of the student body grows better with each year. May we have it over with us.

### Mt. Vernon Graded and High School

The Graded and County High School opened Monday with every reason to believe it will be the best school in its history. Prof. Lyon, after a year's war service, is again with us as principal. We feel sure he is the logical man for the place. His leadership and discipline as a teacher for our boys and girls has been tried and tested and not found wanting. We trust he will have the earnest support and hearty co-operation of the student body and the citizenship of our town and county. Prof. Lyon's message given at the opening of the school was inspiring and convincing of the genuine and wholesome purpose of his work. Miss Stewart was present as usual, giving her earnest and loyal support to school work. Her address was greeted with enthusiasm—Judge L. W. Bellum can always be depended upon in matters educational. His presence and his speech was much appreciated. The large attendance of students and patrons point to a successful year's work.

Following is the faculty:

D. H. Lyon, Prin., Instructor  
H. S. Mathematics and Science.

age 14 years, granddaughter of  
Mr. and Mrs. Fount Modell, of  
Mt. Vernon, died Wednesday of  
tuberculosis. Burial took Wed-  
nesday afternoon. A number of  
friends from Louisville and Crab  
Orchard attended the funeral.

## "GO-AWAY PARTY"

A merry party of young people  
from Mt. Vernon enjoyed a de-  
lightful time Friday evening in  
honor of those of them who are  
going away this year to school and  
college. They motored to Crab  
Orchard Springs, where they  
took dinner, and then came to  
Stanford as a theatre party. The  
entire evening was one of unalloyed  
pleasure and will long be remem-  
bered by all present. The mem-  
bers of the party were: Misses  
Christine Davis, Dessie Nicoley,  
Margaret Sparks, Sidney Craw-  
ford, Tevis Bethurum, Ruth Mul-  
lins, Myrtle Bryant, Christine  
McFarren, and Bonnie Nicoley;  
Messrs. J. Egan Albright, T.  
Raymond Richards, R. Wallin  
Griffin, Logan Bryant, Jesse  
Meadows, A. Leur Cooper, "Babe"  
Miller, "Pat" Cox, A. B. Sparks,  
Walker and Bradford Snodgrass.

## AT BOONE WAY OPERA HOUSE.

Wednesday night Sept. 17th.  
The Harmon Co. Eds a quar-  
tette of highly artistic, sprightly  
and vivacious young ladies, who  
are delightfully entertaining with  
their vocal, instrumental and  
literary work.  
These ladies have been highly  
successful where ever they have  
appeared.  
Admission 50c or season ticket  
for 6 different entertainments  
for \$2.00.

G. T. Johnson bought Fred  
Asher's new brick residence on  
Richmond street. This is one of  
the nicest pieces of resident prop-  
erty in Mt. Vernon. If some one  
would build a few more houses  
on Richmond street like this one,  
they could be sold to people who  
would help to make Mt. Vernon  
a better town.

SALESMEN WANTED to solicit  
orders for lubricating oils, greases  
and paints. Salary or Commis-  
sion. Address THE LENOX OIL  
& PAINT CO., Cleveland, Ohio.

Rev. M. G. Fish and Rev. J.  
W. Riddle are conducting a  
series of meetings at Buckeye.  
Rev. L. N. Bowling, of Brod-  
head, will probably assist them  
next week. The Buckeye church  
is located in a good community.  
The farmers have good homes  
and some of them have deter-  
mined to revive the interest of  
other days in their church home.

FOR SALE—Farm of about 90  
acres, all in cultivation; good  
buildings. Will sell cheap if sold  
at once.  
HUGH McBE,  
Brodhead, Ky.

The revival held at Freedom  
church closed Sunday. This was  
one of the greatest meetings ever  
held at this church. There were  
twenty-two professions of faith,  
three renewals. Twenty-two  
were baptized last Sunday. Rev.  
R. N. Gooch, pastor Freedom  
church and Rev. D. A. Webb,  
pastor Mt. Vernon Baptist church  
held the meeting.

B. H. Hillard, Notary Public  
Your work done right at reason-  
able prices. Livingston, Ky.

President J. G. Frith and Sec-  
retary Granville Owens, of the  
Brodhead Fair Association, are  
more than delighted with the  
splendid showing made by that  
institution this year. The fair  
had such a liberal patronage  
of satisfied visitors that the Di-  
rectors after paying off a small  
indebtedness and paying premi-  
ums and other expenses, had  
enough money left to pay the  
stockholders a dividend of 50 per  
cent. This certainly is a good  
showing and Messrs Frith and  
Owens have every reason to feel  
proud of the outcome.

Bob White received a letter  
Monday from his sister, Mrs.  
John Colyer, at Tucson, Ari-  
zona, stating that his father, Jas.  
I. White, had gone totally blind.  
Those who saw Mr. White when  
he was here on his last trip will  
remember that he was blind in  
one eye and was fearful that  
he would lose the sight of the  
other. He has many warm  
friends in this county who will  
regret deeply to hear of this  
sad occurrence.

## THE BEST ADVERTISER ENT

The best advertisement any  
merchant can have is a satisfied  
customer. No greater recommen-  
dation can be given an article  
than the following by E. B. Mil-  
burn, Prop., Guion Drug Store,  
Guion, Ark. "We have sold  
Chamberlain's Cough Remedy for  
years and have always found that  
it gives perfect satisfaction."

Russel Nicoley, who won the  
trip to the State Fair as the rep-  
resentative of the Farmers Club  
boys, lost the same by being con-  
fined to his bed with typhoid  
fever, but County Agent Spence,  
who is always on the job saw to  
it that Rockcastle be represented,  
and Homer Hansel, of Living-  
ston, the next boy in line was  
promptly named and is right on  
the job. The grown ups as well  
as the little friends of Russel  
Nicoley regret that he was so  
sick that he had to lose the trip  
but since he must lose, the county  
Club boys may rest assured that  
they will be most creditably rep-  
resented by their chairman,  
Homer Hansel.

this week with W. H. J. Moore  
for the Dr. Wesley farm in Lin-  
coln county consisting of 200  
acres for which he paid \$13000.  
Mr. Moore sold his splendid farm

## Two Ways To Buy Clothes

One way is to look around  
until you find the lowest price

The other way is go where  
you'll find the best quality.

The first way you'll save a  
few dollars at the start then in a  
few months you'll have to have  
new clothes; what you save on  
the price is taken out of the  
quality of the clothes.

The second way will bring  
you here for Hart Schaffner &  
Marx clothes. They'll wear  
so long and give so much sat-  
isfaction that in the course of  
a year or so you'll save the price  
of a suit; because you won't  
need so many clothes

## CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royse City, Tex.—Mrs. Mary Kilman, of this place, says: "After the birth of my little girl... my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me... but I got no better. I got worse and worse until the misery was unbearable... I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for

the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.

## BEREA'S FIVE DEPARTMENTS OPEN SEPTEMBER 17.

The five great schools that run under the name of Berea College, or Berea Alliance, open the first term on Wednesday, September 17th. The number of students applying for admission in the mountain region is so great that it has been decided that no additional students from the north and the Blue Grass can be received this year.

Among the new members of Berea's working forces are several men whose coming is of large significance. The Red Cross is placing Prof. G. E. King at Berea to conduct special courses for training community workers and social service. Dr. Carl T. Waugh, now a member of the Y. M. C. A. army work and formerly a professor of philosophy at Deoitt, comes as dean of the collegiate department and professor of education. Rev. Dr. Hutchins, formerly pastor of Washington Gladden Church of Columbus, Ohio, will

be temporary pastor of the Union Church, and Prof. H. H. Groves, of Tennessee, will take the place of Prof. Hun of the Normal Department for a year, while Prof. Hunt gives his services to the Red Cross.

## DEFENDENCY

Sufferers from indigestion are apt to become discouraged and feel that complete recovery is not to be hoped for. No one could make a greater mistake. Hundreds have been permanently cured by taking Chamberlain's Tablets and can now eat anything that they crave. These tablets strengthen the stomach and enable it to perform its functions naturally. If you have not tried do it once.
